

## CREED

I BELIEVE in the health care profession.

I BELIEVE in the profession for which I am being trained and in the opportunities, which my training offers.

I BELIEVE in education.

I BELIEVE that through education I will be able to make the greatest use of my skills, knowledge and experience in order to become a contributing member of the health care team of my community.

I BELIEVE in myself.

I BELIEVE that by using the knowledge and skills of my profession I will become more aware of myself. Through fulfilling these goals I will become a more responsible citizen.

I BELIEVE that each individual is important in his or her own right; therefore, I will treat each person with respect and love.

To this end, I dedicate my training, my skills and myself to serve others through Health Occupations Students of America.
